Green Thumbs of Texas
15814 Champion Forest, Ste. 133
Spring, TX 77379

To whom it may concern:

Green Thumbs of Texas has been our indoor plant service for almost 3 years and we plan to be with them a long time. They have provided us with outstanding care! We have been very pleased with the service and maintenance that Bill Phillips has provided for us. He always knows exactly which plants to use for each office space. We highly recommend Green Thumbs of Texas for your business environment. You will not want to use anyone else!

Sincerely,
